## Technology Center 2600

I, D. Andrew Floam, hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to Commissioner for Patents, Washington, DC 20231 August 12, 2002:

Dear Sirs:

Pursuant to 37 CFR 1.67, attached is a Supplemental Declaration for entry in the captioned application correcting an inaccuracy in the original declaration. The originally submitted Declaration indicated United States as the state of citizenship for Mr. Seed. The undersigned has recently learned that the inventor, Mr. William R. Seed, is a citizen of Canada, not the United States. The attached Supplemental Declaration is signed by William R. Seed only, and indicates the correct citizenship information (Canada). 

Entry of the Supplemental Declaration is respectfully requested.

Respectfully submitted,

D. Andrew Floam
